Course Description:

The primary goal of this course is for students to gain an appreciation of the major themes of American history since 1865, the multicultural nature of contemporary U.S. civilization, and the nation’s role in the global arena. To fully realize this objective, students need to be active participants in class. Class lectures and discussions, based on required readings, are often the focal points for moments of insight and clarity.

Learning Objectives:

Goal 1: Students will examine the major historical events that have occurred between the end of the Civil War and contemporary times.

Goal 2: Students will be able to identify the key individuals that have impacted history between 1865 and the current administration.

Goal 3: An enumeration of the most important historical dates will be undertaken by students. These dates will include Supreme Court cases, constitutional Amendments and other significant dates related to World Wars and other conflicts.

Goal 4: Students will demonstrate connections between historical events over time. Thus, the Civil War will be connected to later events and people in subsequent American history.

Goal 5: Students will assess events in their lives with historical events to better appreciate the continuum of history.

To successfully complete the course, students must keep up with all chapter readings, on line notes provided and lectures offered.

Skills and Other Things You Need

HIST 2112 satisfies one of Kennesaw State University’s general education program requirements. It addresses the US Perspectives learning outcome. The learning outcome states: Students identify the historical, political, social, or institutional developments of the United States. For more information about KSU’s General Education program requirements and associated learning outcomes, please visit http://catalog.kennesaw.edu/preview_program.php?catoid=10&poid=704

Attendance Policy:

Class Participation: Attendance will be taken daily. Students should make a strong, good-faith effort to attend every class. Frequent absences (more than 2) and/or consistent tardiness (three tardies equal one absence) will adversely affect your grade. Medical notes and other valid excuses will be required for an absence to be considered excused.

Once they sign-in, students are expected to remain in class for the full session. Failure to do so will result in the loss of all attendance points. Obviously, sign in only on your card. Signing in for another classmate is unacceptable. Any violation of the attendance or signing in policy or any other infractions, such as cheating on exams, may result in an Academic Misconduct Incident Report being filed with the KSU Dept. of Student Conduct and Academic Integrity.

Please tell Dr. Slomovitz when you need to leave class early. This portion of your grade is worth 10 points equaling 10% of your total grade.

Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal.

Electronic Devices Policy:
**Pedagogical and anecdotal evidence have suggested the negative impact of laptops. Therefore, permission will be given to the use of laptops on a case by case basis.**

Academic Honesty:
The high quality of education at Kennesaw State University is reflected in the credits and degrees its students earn. The protection of high standards of academic integrity is crucial since the validity and equity of the University's grades and degrees depend upon it.

No student shall receive, attempt to receive, knowingly give or attempt to give unauthorized assistance in the preparation of any work required to be submitted for credit (including examinations, laboratory reports, essays, themes, term papers, etc.). Unless specifically authorized, the presence and/or use of electronic devices during an examination, quiz, or other class assignment is considered cheating. Engaging in any behavior which a professor prohibits as academic misconduct in the syllabus or in class discussion is cheating. When direct quotations are used, they should be indicated, and when the ideas, theories, data, figures, graphs, programs, electronic based information or illustrations of someone other than the student are incorporated into a paper or used in a project, they should be duly acknowledged. No student may submit the same, or substantially the same, paper or other assignment for credit in more than one class without the prior permission of the current professor(s).

Students suspected of violating the KSU statement of Academic Honesty will meet with the instructor to discuss the violation AND will be reported to the Department of Student Conduct according to the process outlined at the following link: https://web.kennesaw.edu/scai/content/scai-misconduct-procedures
