**Objectives:**

This course concerns the Eastern, Central, and Southern Regions of Africa since the earliest days of humanity until recent times. It critically engages the most vital themes of pre-colonial, colonial, and postcolonial Africa, and does so such a way so as to make Africa’s history relevant to contemporary political, economic, and environmental issues.

**Basis for Final Grades:**

Your final grade will be derived from performance on 3 take-home examinations, each representing a third of your grade. These will consist of short answer and essay questions and students will have approximately a week to complete them. Attendance and quiz grades will determine borderline grades.

The course uses a conventional grading scale (detailed below.)

- A=89.5 or better
- B=79.5 to 89.49
- C=69.5 to 79.49
- D=59.5 to 69.49
- F=59.49 or below

**Required Texts:**

- *History of Africa* by Kevin Shillington
- *A Grain of Wheat*, Ngugi wa Thiongo
- *Nervous Conditions*, Tsitsi Dangarembga

**Academic Integrity Statement:**

Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. Section II of the Student Code of Conduct addresses the University’s policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to University materials, misrepresentation/falsification of University records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the University Judiciary Program, which includes either
an “informal” resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct’s minimum one semester suspension requirement.

**Attendance Policy:**

Attendance is required, and I will be taking roll at random intervals. Please note that examinations will draw from both the text *and* from lectures, and success in the class will likely entail regular attendance and note-taking.
