Course Description:  
This course examines the major themes in the social, cultural, political and economic history  
Of the United States since 1877, the multicultural nature of contemporary U.S. Civilization, and  
the nation’s role in the global arena.

Learning Objectives:  
Hist. 2112 satisfies one of Kennesaw State University’s general education program requirements.  
It addresses the U.S. Perspectives general education learning outcome(s). The learning outcome  
states: Students identify the historical, political, social or institutional developments of the  
United States.

Required Reading:  
There are two texts for the course. (1) The major textbook is Tindall, George  
Attendance Policy
Students are expected to attend both classes each week. Attendance. All students are expected to attend classes on time, read the assigned class material, and participate in class discussion in a substantive manner. You should involve yourself in class discussions by asking questions, participating in-group activities, and contributing your thoughts, interpretations, and ideas. While conflicting commitments and unforeseen and unpreventable developments may occasionally force an absence, this class, like one’s career, is a major commitment. Indeed, it is your responsibility to attend class and make up any work missed during that absence. ANY STUDENT WHO NEEDS TO LEAVE THE CLASS EARLY MUST HAVE THE INSTRUCTORS PRIOR APPROVAL!! To be sure, circumstances do occur that may result in being absent or late for class but making this practice a regular routine will not be tolerated. IT IS YOUR RESPONSIBILITY TO ATTEND CLASS AS SCHEDULED. ACKNOWLEDGE IT AND DO IT!!

Attendance will be taken. With every class a sign-up sheet will be distributed for students to indicate their presence in class. Students are solely responsible for the management their enrollment status this class. If you decide to withdraw from this course, follow the procedure as outlines in the student handbook. Non-attendance does not constitute a withdrawal. Any student who stops attending or never attends this class will be reported and may not be eligible for financial aid.

INCLEMENT WEATHER
In the event of inclement weather, always check the KSU Web Page as to the cancellation of classes, or a late start notification. Another source of information are the media outlets. If no official notification by the university is posted, use your own judgment as to your attendance. In this class no one will be penalized for missing class because of inclement weather. Always consider your well-being above all else.

Electronic Devices Policy:
Any electronic devices will be absolutely prohibited in the classroom during an examination or quiz. Any student who violates this policy will receive a grade of F for the exam or quiz. Lap top computers are allowed for note-taking during the regular class sessions. No recording devices will be allowed.

Course Assessments
There will have three examinations during the semester. Each will be announced at least one week in advance. The exams will consist of two basic parts: Part I will consist of three questions from which a student will select two questions to address. Each question will be worth 20 points each for a total of 40 points. Part II of the exam, worth 20 points, will require the identification
of proper names and events. A review session will be conducted as to the type of questions and appropriate answers. Remember, the examinations will be based upon class lectures and assigned readings as indicated on the course syllabus. Blue Books as well as ball point pens are required for all examinations. Every student must sign out with the completion of the Examination. A final examination will be required for every student. The final examination will focus on the last one third of the course.

Do not expect “study guides” for this course. You have a textbook, a book of supplementary readings as well as a class syllabus. Read and use them.

During the last week of the course, each student will meet with the instructor to review his or her grade.

Makeup Exams:
The Department will host a day for makeup exams for students with excused absences at the end of each semester. Students will need to bring an ID to the makeup exam. This is not a required makeup solution. It does simplify the process for makeup exams by assigning this work to one day at the end of each semester. For the Fall Semester, 2015, makeups will be proctored Friday the 4th of December from 1-4 pm SO 2036.

Grading
The instructor does the grading for this course! Student negotiation for higher grades or seeking changes to assignments will not be tolerated. A student’s grade will be based upon an accumulated point system as follows:

<table>
<thead>
<tr>
<th>Examination</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Examination I</td>
<td>60</td>
</tr>
<tr>
<td>Examination II</td>
<td>60</td>
</tr>
<tr>
<td>Final Examination</td>
<td>60</td>
</tr>
</tbody>
</table>

Total 180 points

A percentage grade is determined by dividing 180 points into the total points a student earned on the previous examinations. No one can take the final examination if one of the regular exams needs to be made-up.

Grading~ Scale
Students are evaluated on the following scale:

A – 90-100%
B – 80-89%
C – 70-79%
D – 60-69%
F – 50-59%

Incomplete or I – Indicates an incomplete grade for the course, and will be awarded only when the student has done satisfactory work up to the last two weeks of the semester,
but for nonacademic reasons beyond his/her control is unable to meet the full requirements of the course. Incomplete grades are only valid after submission of the Incomplete Grade form (signed by both the instructor and student) to the Department Chair’s office.

**Extra Credit Policy**

**Academic Integrity Statement:**

Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. Section 5. Incidents of alleged academic misconduct will be handled through the established procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either an “informal” resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct’s minimum on semester suspension requirement. The high quality of education at Kennesaw State University is reflected in the credits and Degrees its students earn. The protection of high standards of academic integrity is crucial since the validity and equity of the University’s grades and degrees depend upon it. Therefore there will be **zero toleration** for any student who violates university policies regarding the following is the new policy statement on “Cheating and Plagiarism:”

“No student: shall receive, attempt to receive, knowingly give or attempt to give unauthorized assistance in the preparation of any work required to be submitted for credit (including examinations, laboratory reports, essays, themes, term papers, etc.). Unless specifically authorized, the presence and/or use of electronic devices during an examination, quiz, or other class assignment is considered cheating. Engaging in any behavior which a professor prohibits as academic misconduct in the syllabus or in class discussion is cheating. When direct quotations are used, they should be indicated, and when the ideas, theories, data, figures, graphs, programs, electronic based information or illustrations of someone other than the student are incorporated into a paper or used in a project, they should be duty acknowledged. No student may submit the same, or substantially the same, paper or other assignment for credit in more than one class without the prior permission of the current professor(s).”
