The learning outcome states: Students analyze the complexity of human behavior and how social, historical, economic, political, or spatial relationships develop, persist, or change. Required Reading:

‡ Other readings posted through D2L, see weekly folders.

Attendance Policy:
Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal.

Research shows a high correlation between regular classroom attendance and higher grades. Students are expected to attend both classes each week and attendance will be taken. All students are expected to attend classes on time, read the assigned class material, and participate in classroom discussion. You should involve yourself in class discussions by contributing your thoughts, interpretations, and ideas. **Part of your final grade is based on attendance and classroom participation** (see grading below).

It is the student’s responsibility to keep up to date with what is going on in class concerning announcements, discussion questions, assignments, and class schedule.
Electronic Devices Policy:

Cell phones must be turned off before class. **Text messaging during class will not be permitted; violators will be subject to being counted as absent.**

Uses of electronic devices such as recorders, cameras, cell phones are not permitted during class.

I do allow students to use laptops to take class notes and follow along with my power point presentations.

Course Assessments/Assignments:

2) Weekly discussion questions (15), posted in D2L dropbox. They are due Sunday evenings before 12:00am. **300 points (20 points each).**

3) Attendance **50 Points.**

Makeup Exams and Late Assignments:
