Electronic Communications: The University provides all KSU students with an “official” email account with the address “students.kennesaw.edu.” As a result of federal laws protecting educational information and other data, this is the sole email account you should use to communicate with your instructor or other University officials.

Course Description: This course is a survey of world history from early modern times to the present. The course examines themes, events, trends, institutions, and ideas with a focus on global connections and interactions.

• This is an honors section. Course content will cover greater depth and scope than non-honors sections. Students will engage in substantive discussions of readings in every class meeting.

Learning Objectives: HIST 1100 satisfies one of Kennesaw State University's general education program requirements. It addresses the SOCIAL SCIENCES general education learning outcome(s). The learning outcome states: Students analyze the complexity of human behavior and how social, historical, economic, political, or spatial relationships develop, persist, or change. For more information about KSU’s General Education program requirements and associated learning outcomes, please visit http://catalog.kennesaw.edu/preview_program.php?catoid=24&poid=2668

In this section in addition to the Social Sciences general education learning outcome(s) the following course objectives will be achieved.

• to acquire a general knowledge of broad sweeps of historical development
• to develop our knowledge of world geography and traditions
• to gain new insights to the historical human experience
• to develop our writing and critical thinking skills while we obtain a new awareness of world history

Course Requirements and Policies

I. Exams

Final Exam [FE] (30 %)
Final exam will be comprehensive and consist of multiple-choice, T/F, short written-answer, long written-answer, and map questions.

Midterm Exam (20 %)
Midterm exam will consist of multiple-choice, T/F, short written-answer, long written-answer, and map questions.

Detection of any form of academic misconduct, e.g. plagiarizing or cheating, will result in a failing final grade and will be reported to the Department of Student Conduct and Academic Integrity (SCAI).

II. Map Quizzes [MQs] (15 %)
Students will take three map quizzes on the geographies of Asia, Africa, and Latin America. See the study guides for the map quizzes on D2L. Also, see the following link for a geography game that would be helpful for preparing for the quizzes.
http://www.purposegames.com/geoquiz

III. Written Discussions [WDs] (10 %)
Students are required to respond to discussion questions in a mini essay by the due dates on the schedule. There will be three written discussions in total throughout the semester. The student responses to the discussion questions should be minimum 300 words. Meeting the minimum length requirement does not mean that the assignment is over. The submission also needs to be analytical and clearly written.

When direct quotations are used in the submission, they should be indicated; when the language, ideas, theories, or electronic based information of someone other than the student are incorporated into the submission, they should be acknowledged.

IV. Group Project and Presentation [GPP] (15 %)
Each student is required to participate in a group in order to develop a class project and to present the project results in a group paper and a group presentation in front of the class. Each student is responsible for contributing an outline of an academic journal article and 6 page-long written work to the group paper. Each student is required a 10-min.-long oral participation in the group presentation.
V. **Active Participation [AP] (10 %)**
Students will participate in class in an active manner. Regular attendance, oral and written participation are vital for active participation. You can orally participate in the class by asking questions, making comments, and joining group discussions. You can also participate in the class through three types of written accounts: reading logs and reflection logs. Turning in reading or reflection logs is **optional**.

1. **OPTIONAL** Reading Logs:
   A reading log is a written account of your understanding of the reading assignment. You should turn in your log at the beginning of the specific class that the reading assignment was scheduled. You should also be present in this particular class. **Late or early reading logs will not be accepted.** The length of a log is one page and it should contain:
   i. A short summary of the main points presented in the reading assignment
   ii. One or more probing question about the text or passages, terms, and concepts that needs clarification.

2. **OPTIONAL** Reflection Logs:
   A reflection log is a written account of your afterthoughts about the class lectures and discussions. In a reflection log, you are expected to make your comments and ask your questions that you did not have a chance to do in class. You should turn in your log at the beginning of the next class. **Late logs will not be accepted.** The length of a log is one page.

3. **OPTIONAL** Online Discussion:
   I will post discussion subjects and questions on WebCT Vista. You are **encouraged** to post your comments/answers/probing questions and engage into a dialogue with your peers.

VI. **Extra Credits [EC] (maximum 10 %)**
Students who participate in the class in an active manner through the semester at a regular pace may complete extra credit work for earning extra credit points up to ten percent. Completing all the assignments and taking all the required tests are necessary for earning any extra credit points. Extra credit assignments cannot replace other class requirements, such as quizzes or journal entries. Extra credit opportunities will be available upon the discretion of the instructor. There will be no extra credit assignments available after **November 1st**. You need to contact the instructor by the deadline (**November 1st**) in order to sign up for an extra credit assignment. The actual extra credit works are due by **December 5th**. See the Extra Credit folder on D2L for possible assignments and assignment details.

VII. **Grading**
Your final grades will be based on 2 exams, 3 map quizzes, two written discussions, a group project and active participation. Your grades for the exams will be posted on the grade book within one week. There will be a curve at the end of the semester based on the highest number of points earned by a student in the class. 90 % of the highest point earned by a student will be assigned a grade of A and so forth. This grading system makes sure that grading is appropriate
for the class level. Below you will find the grade break-up and an example, which demonstrates how this grading system works.

**Grade Items**

<table>
<thead>
<tr>
<th>Grade Items</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>Final Exam (FE)</td>
<td>30 %</td>
</tr>
<tr>
<td>Midterm Exam (ME)</td>
<td>20 %</td>
</tr>
<tr>
<td>Map Quizzes (MQ)</td>
<td>15 %</td>
</tr>
<tr>
<td>Written Discussions (WD)</td>
<td>10 %</td>
</tr>
<tr>
<td>Group Project and Presentation</td>
<td>15 %</td>
</tr>
<tr>
<td>Active Participation (AP)</td>
<td>10 %</td>
</tr>
<tr>
<td>Extra Credits [EC]</td>
<td>10 %</td>
</tr>
</tbody>
</table>

Final grades will be:

\[
X \geq 90 \% \quad \text{A} \\
X \geq 80 \% \quad \text{B} \\
X \geq 70 \% \quad \text{C} \\
X \geq 60 \% \quad \text{D} \\
X \leq 59 \% \quad \text{F}
\]

\[X = \left(\frac{\text{your total points}}{\text{the highest total points in the class achieved by a student}}\right) \times 100 + \text{Extra Credit Points}\]

Your total points\(= (\text{Midterm Exam score} \times 0.2) + (\text{Final Exam score} \times 0.3) + (\text{Map Quiz 1 score} \times 0.05) + (\text{Map Quiz 2 score} \times 0.05) + (\text{Map Quiz 3 score} \times 0.05) + (\text{Written Discussion 1 score} \times 0.05) + (\text{Written Discussion 2 score} \times 0.05) + (\text{Group Project and Presentation} \times 0.15) + (\text{Active Participation score} \times 0.10)\]

For example, let’s assume that a student earned the following scores in class:

- Midterm Exam: 90
- Final Exam: 85
- Map Quiz 1: 90
- Map Quiz 2: 100
- Map Quiz 3: 100
- Written Discussion 1: 75
- Written Discussion 2: 85
- Group Project and Presentation: 90
- Active Participation: 85
- Extra Credit: 0

**Total points**  
\[
= (90 \times 0.20) + (80 \times 0.30) + (100 \times 0.05) + (100 \times 0.05) + (100 \times 0.05) + (75 \times 0.05) + (85 \times 0.05) + (80 \times 0.15) + (85 \times 0.10) \\
= 18 + 24 + 5 + 5 + 5 + 3.75 + 4.25 + 12 + 8.5 \\
= 85.5
\]

If the highest total score achieved by a student in our class was 95, this particular student’s grade in class would be an A \([(85.5/95) \times 100 = 90]\).
I – It indicates an incomplete grade for the course, and will be awarded only when the student has done satisfactory work up to the last two weeks of the semester, but for nonacademic reasons beyond his/her control is unable to meet the full requirements of the course. Incomplete grades are only valid after submission of the Incomplete Grade form (signed by both the instructor and student) to the Department Chair’s office.

WF – students who attended/participated at some point and then stopped attending AFTER the “Last Day to Withdraw without Academic Penalty” date.
Note: Students who only stop attending/participating during the last week or so of classes, and/or who are only no-shows for the final exam, should receive failing grades on those academic activities missed and an overall final grade in the course of A/B/C/D/F (see below) in accordance with the course syllabus.

A/B/C/D/F – students who attended well past the “Last Day to Withdraw without Academic Penalty” date and earned the corresponding grade.

VIII. Make Up Exams and Late Submissions
Make up exams will be available provided that you have a documented excuse (e.g., sickness with a doctor’s note). Late submissions are only accepted when the excuse for it documented.

IX. Readings
Completion of assigned readings in a timely manner is essential for informed participation in class. Students are required to keep up with the assigned readings.

X. Attendance
Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal. Regular attendance is required and a prerequisite of active participation.

XI. Electronic Devices Policy and Minimum technical skills expected from the students.
Technical difficulty/problem is not an acceptable excuse for missing assignment deadlines. You should keep your hardware and software up-to-date. You should allow pop-up windows from “kennesaw.view.usg.edu”.

XII. Response time
Students must use their KSU email account in order to communicate with the instructor. I cannot respond to emails from other accounts, e.g. gmail or hotmail accounts. I will make sure to respond to your e-mails that are sent from your student account within 48 hours during the week, Monday-Friday.

XIII. Class Etiquette
An atmosphere of mutual trust is essential to the success of this course. We strongly encourage lively debates and urge students to respect each other's opinions. Expressions of intolerance are discouraged. Disagreeing with others intelligently and politely is a skill, one that we will all strive for during the semester.
Students are expected to behave properly and respect the class decorum both in the classroom and in our virtual classroom environment including but not limited to the discussion board, and the chat room. Abusive, profane, and threatening language will be reported to the Department of Student Conduct and Academic Integrity (SCAI).

No electronic devices, e.g. smart phones, tablets, laptops, are allowed in the classroom.

**XIV. Writing Center**
The KSU Writing Center is a free service offered to all KSU students. Experienced, friendly Writing Assistants will work with you to become a better writer—regardless of your strengths or weaknesses. Commonly covered writing strategies include topic development, organization, revision, research, source documentation, and grammar, but the Writing Center listens to and works with each writer individually. For more information or to schedule an appointment, please visit [http://www.kennesaw.edu/writingcenter/](http://www.kennesaw.edu/writingcenter/), or stop by Room 242 in the English Building.

**XV. ADA Compliance:**
Students with qualifying disabilities under the Americans with Disabilities Act (ADA) and/or Section 504 of the Rehabilitation Act who require “reasonable accommodation(s)” to complete the course may request those from Office of Student Disability Services. Students requiring such accommodations are required to work with the University's Office of Student Disability Services rather than engaging in this discussion with individual faculty members or academic departments. If, after reviewing the course syllabus, a student anticipates or should have anticipated a need for accommodation, he or she must submit documentation requesting an accommodation and permitting time for a determination prior to submitting assignments or taking course quizzes or exams. Students may not request retroactive accommodation for needs that were or should have been foreseeable. Students should contact the office as soon as possible in the term for which they are seeking accommodations. Student Disability Services is located in the Carmichael Student Center in Suite 267. Please visit the Student Disabilities Services website at [www.kennesaw.edu/stu_dev/sds](http://www.kennesaw.edu/stu_dev/sds) for more information, or call the office at 470-578-6443.

**XVI. Academic Integrity Statement:**
Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. Section 5. C of the Student Code of Conduct addresses the university’s policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to university materials, misrepresentation/falsification of university records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either an “informal” resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct’s minimum one semester suspension requirement. See also [https://web.kennesaw.edu/scai/content/ksu-student-code-conduct](https://web.kennesaw.edu/scai/content/ksu-student-code-conduct).
Students suspected of violating the KSU statement of Academic Honesty will meet with the instructor to discuss the violation AND will be reported to the Department of Student Conduct according to the process outlined at the following link:
https://web.kennesaw.edu/scai/content/scai-misconduct-procedures

Detection of any form of academic misconduct, e.g. plagiarizing and cheating, will result in a failing final grade and will be reported to the Department of Student Conduct and Academic Integrity (SCAI).
All submissions must be original. Desire2Learn (D2L) includes an embedded plagiarism detection software. A plagiarism detection software, e.g. Turnitin, may be used in the course.
