Attendance Policy:

Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal.

Research shows a high correlation between regular classroom attendance and higher grades. Students are expected to attend both classes each week and attendance will be taken. All students are expected to attend classes on time, read the assigned class material, and participate in classroom discussion. You should involve yourself in class discussions by contributing your thoughts, interpretations, and ideas. **Part of your final grade is based on attendance and classroom participation** (see grading below).

It is the student's responsibility to keep up to date with what is going on in class concerning announcements, discussion questions, assignments, and class schedule.

Electronic Devices Policy:

Cell phones must be turned off before class. **Text messaging during class will not be permitted; violators will be subject to being counted as absent.**
