Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal. Students are required to be in class and active in their participation in the course. Students are allowed five days not in the class before their final grade is affected by a five point drop in the final grade. There are no excused absences.

**Electronic Devices Policy:**
Electronic Devices, such as laptops, cellular phones, tablets, and other computers are **not allowed** in the classroom. Special circumstances will be allowed at the discretion of the instructor. Course Assessments/Assignments:
The course is broken down into multiple assignments: map quizzes, daily attendance, weekly quizzes/Assignments, Online Discussion, and two exams.

Map Quizzes: There will be two map quizzes in the semester, that are designed to test the student’s knowledge of world geography. These will count as five (5) points each on the final grade. These will be administered online, like the weekly quizzes. The due dates are: September 22\textsuperscript{nd} and November 17\textsuperscript{th} 2017.

Weekly Quizzes/Assignments: There will be weekly quizzes that are designed to assess the students understanding of the course materials. These quizzes will be multiple choice. These will be delivered in the Desire2Learn (D2L) system and will be due on Friday at 11:59PM of each week. Quizzes will open on Monday of the week and the student has until Friday at 11:59PM to complete the quiz. While the majority of the weekly grades will be quizzes, there is a selected number of short assignments that will be due on a specific class instead of a quiz. These will be announced ahead of time and will be due in class. The weekly quizzes will be worth 25% of the student’s final grade. The lowest two grades will be dropped at the end of the semester.

Primary Source Analysis: There will be two primary source analysis that highlights a particular theme in the course. The readings will be short and consist of a short writing component that the student will demonstrate their understanding of course materials and how this primary source links key ideas together. There will be a guide provided by the professor to help students complete this assignment. The first assignment is due on September 13\textsuperscript{th} and the second is due on October 16\textsuperscript{th}. The primary source analysis is worth 25% of the student’s final grade.

Exams: There are two exams in the course that will be delivered: one at the mid-term and the other at the end of the course. These exams will be composed of multiple choice, short answer, and a small essay. The instructor will supply study guide before the exams. These exams will be electronically delivered via Desire2Learn (D2L) and it is the students responsibility to complete the exam by the due date. The exam will open three calendar days before the exam due date and the student has until 8:50PM of the due date to complete the exam. The first exam is on October 4\textsuperscript{th} and the final exam is on Wednesday December 11\textsuperscript{th} at 1-3 PM. These exams are worth 40% of the student’s final grade.
