**Electronic Communications**
The University provides all KSU students with an “official” email account with the address “students.kennesaw.edu.” As a result of federal laws protecting educational information and other data, **this is the sole email account you should use to communicate with your instructor or other University officials.**

**Attendance Policy:**
Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal. Students are required to be in class and active in their participation in the course. Students are allowed five days not in the class before their final grade is affected by a five point drop in the final grade. There are no excused absences.

**Electronic Devices Policy:**
Electronic Devices, such as laptops, cellular phones, tablets, and other computers are **not allowed** in the classroom. Special circumstances will be allowed at the discretion of the instructor. Students found using electronic devices without the permission of the instructor will be asked to leave the classroom and receive a zero (0) for the daily attendance.

Examinations will be administered via the Desire2Learn (D2L) system and no other electronic devices are permitted. The student will be recorded through this system and this will be reviewed by the instructor at the end of the term to verify that the student did not use electronic devices.
Course Assessments/Assignments:
The course is broken down into multiple assignments: map quizzes, daily attendance, weekly quizzes/Assignments, Online Discussion, and two exams.

Map Quizzes: There will be two map quizzes in the semester, that are designed to test the student’s knowledge of world geography. These will count as five (5) points each on the final grade. These will be administered online, like the weekly quizzes. The due dates are: September 22nd and November 17th 2017.

Weekly Quizzes/Assignments: There will be weekly quizzes that are designed to assess the students understanding of the course materials. These quizzes will be multiple choice. These will be delivered in the Desire2Learn (D2L) system and will be due on Friday at 11:59PM of each week. Quizzes will open on Monday of the week and the student has until Friday at 11:59PM to complete the quiz. While the majority of the weekly grades will be quizzes, there is a selected number of short assignments that will be due on a specific class instead of a quiz. These will be announced ahead of time and will be due in class. The weekly quizzes will be worth 25% of the student’s final grade. The lowest two grades will be dropped at the end of the semester.

Primary Source Analysis: There will be two primary source analysis that highlights a particular theme in the course. The readings will be short and consist of a short writing component that the student will demonstrate their understanding of course materials and how this primary source links key ideas together. There will be a guide provided by the professor to help students complete this assignment. The first assignment is due on September 13th and the second is due on October 16th. The primary source analysis is worth 25% of the student’s final grade.

Exams: There are two exams in the course that will be delivered: one at the mid-term and the other at the end of the course. These exams will be composed of multiple choice, short answer, and a small essay. The instructor will supply study guide before the exams. These exams will be electronically delivered via Desire2Learn (D2L) and it is the students responsibility to complete the exam by the due date. The exam will open three calendar days before the exam due date and the student has until 8:50PM of the due date to complete the exam. The first exam is on October 4th and the final exam is on Wednesday December 11th at 1-3 PM. These exams are worth 40% of the student’s final grade.

Makeup Exams and Late Assignments: These will only be offered in the case of documented emergencies. These will be available on the department make-up date of December 1st 2017, in room SC 3023; 1-4PM

Academic Integrity Statement
Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as
published in the Undergraduate and Graduate Catalogs. Section 5. C of the Student Code of Conduct
addresses the university’s policy on academic honesty, including provisions regarding plagiarism and
cheating, unauthorized access to university materials, misrepresentation/falsification of university
records or academic work, malicious removal, retention, or destruction of library materials,
malicious/intentional misuse of computer facilities and/or services, and misuse of student
identification cards. Incidents of alleged academic misconduct will be handled through the established
procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either
an “informal” resolution by a faculty member, resulting in a grade adjustment, or a formal hearing
procedure, which may subject a student to the Code of Conduct’s minimum one semester suspension
requirement. See also https://web.kennesaw.edu/scai/content/ksu-student-code-conduct.
Academic Integrity is an important component in a community of scholars and is taken very seriously by
the professor. Students are expected to maintain standards of academic integrity and violations in this
course. Those that are found in violation of these standards in this course have the penalty of
automatically receiving an automatic zero (0) for the assignment. Please review the following websites

ADA Compliance:
Students with qualifying disabilities under the Americans with Disabilities Act (ADA) and/or Section
504 of the Rehabilitation Act who require “reasonable accommodation(s)” to complete the course may
request those from Office of Student Disability Services. Students requiring such accommodations are
required to work with the University’s Office of Student Disability Services rather than engaging in this
discussion with individual faculty members or academic departments. If, after reviewing the course
syllabus, a student anticipates or should have anticipated a need for accommodation, he or she must
submit documentation requesting an accommodation and permitting time for a determination prior to
submitting assignments or taking course quizzes or exams. Students may not request retroactive
accommodation for needs that were or should have been foreseeable. Students should contact the office
as soon as possible in the term for which they are seeking accommodations. Student Disability Services is
located in the Carmichael Student Center in Suite 267. Please visit the Student Disabilities Services website at [www.kennesaw.edu/stu_dev/sds](http://www.kennesaw.edu/stu_dev/sds) for more information, or call the office at 470-578-6443.
