ACADEMIC INTEGRITY STATEMENT

Every KSU student is responsible for upholding the provisions of the Student Code of Conduct as published in the undergraduate and Graduate Catalogs. Section II of the Student Code of Conduct addresses the University's policy on academic honesty including provisions regarding plagiarism and cheating, unauthorized access to University materials, misrepresentation/falsification of University records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the University Judiciary Program which includes either an "informal" resolution by a faculty member, resulting in a grade adjustment or a formal hearing procedure which may subject a student to the Code of Conduct's minimum one semester suspension requirement.
