Philosophy 2200/08: “Ways of Knowing”

Course Description and Goals
This course will offer an introduction to some of the central issues of philosophy. We will read and discuss some of the most important figures from the history of philosophy including: Plato, Descartes, Nietzsche, Bertrand Russell, Daisetz Suzuki, Gandhi, and many others. Topics covered will range from the nature of Free Will, the concept of Self; the existence of God, to philosophical bases of “truth.”

Course Requirements
Each student’s grade will be based upon:

1) Active and well-prepared class participation, including the completion of all readings before the class for which they are assigned. Attendance is a requirement, and students are responsible for all assignments. For every two (2) recorded class absences, there will be a deduction of one (1) letter grade from the Class Participation grade – 10% of overall grade.

2) Your grade will also be based on the completion and quality of three short “Thought Papers.” These are position papers in which you must state an opinion on a debate topic assigned by the Instructor (10% each) totaling 30% of the overall grade. Papers are due in-class on the dates assigned. All students’ paper submissions must be typed (12 pt./double spaced) and stapled. Late papers will be accepted, but assessed a penalty of one letter grade deducted for each additional class session.

3) Two, in-class, essay examinations (30% each) totaling 60% of overall grade. You are required to supply a Large EXAM BOOK (BLUE BOOKS) for both exams, which will be collected and redistributed the day of the exam. EXAM BOOKS can be purchased from the KSU Bookstore for @ 30¢

Required Text: Kit R. Christensen, Philosophy and Choice (Second Edition), McGraw Hill.

Schedule and Reading List

Philosophical Inquiry: “How and Why?”
