Do not email the instructor through D2L.

Course Description:
This course is a survey of world history from early modern times to the present. The course examines themes, events, trends, institutions, and ideas with a focus on global connections and interactions.

Learning Objectives:
HIST 1112 satisfies one of Kennesaw State University’s general education program requirements. It addresses the SOCIAL SCIENCES general education learning outcome(s). The learning outcome states: Students analyze the complexity of human behavior and how social, historical, economic, political, or spatial relationships develop, persist, or change. For more information about KSU’s General Education program requirements and associated learning outcomes, please visit http://catalog.kennesaw.edu/preview_program.php?catoid=24&poid=2668

Required Reading:
Attendance Policy:
Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal.

This is a discussion-based class. Therefore attendance and active participation are both expected and required. Come to class prepared with questions to guide discussion. **Bring the day’s assigned reading to class.**

Since attendance is so critical to your success in this course, for every absence you incur over five, one percentage point will be deducted from your attendance grade. All absences will be counted---there are no excused absences! Arriving more than five minutes late or leaving class early will result in a half absence.

Electronic Devices Policy:
Cell phones must be turned OFF before class begins.

Because this is a discussion-based class, there will be NO LAPTOP use during class. Instead, bring a pen and paper to class for taking notes. A Canadian study shows that laptop use can lower grades by 11-17%: [http://www.theglobeandmail.com/life/parenting/back-to-school/laptops-in-class-lowers-students-grades-canadian-study/article13759430/](http://www.theglobeandmail.com/life/parenting/back-to-school/laptops-in-class-lowers-students-grades-canadian-study/article13759430/)

Students must read the assigned discussion readings for each class (look under “Class Schedule” to find the readings) and post a READING RESPONSE on D2L. **The reading responses must be posted to D2L by 8:30am on the day the reading response is due.** The instructor WILL NOT accept any reading responses posted after that time. To post a reading response on D2L, go to Discussions, click “Week _ Reading Response”, select “Start new thread”, write your post, then click “post”.

On Tuesdays, the assigned readings will come from the textbook and students must answer the following questions in their reading responses: 1) What is the most important part/aspect of the assigned reading and why? 2) What is the most interesting part of the reading and why? For Thursday classes, the instructor will post questions to guide reading responses in advance on D2L.

All assigned readings beyond the textbook (unless otherwise indicated in the “Class Schedule” below) will be posted to D2L Brightspace.

There will be no extra credit opportunities beyond the bonus questions on the exams.
