Course Objective:

The primary goal of this course is for students to gain an appreciation and knowledge of World History. To fully realize this objective, students need to be active participants in class. Class lectures and discussions, based on required readings, are often the focal points for moments of insight and clarity.

Text:

Ways of the World: Bedford/St. Martin’s, 2009, Robert W. Strayer

Grades, Tests, Paper, and Class Participation:

Grading scale: A=90-100, B=80-89, C=70-79, D=60-69, and F=59 and below.

Tests: There will be three tests throughout the semester. Each will be worth 30 points. There will be opportunities for extra credit on each test. Make-ups will be permitted under exceptional circumstances, such as illnesses and family emergencies. If you are unable to take a scheduled test, please notify me as soon as possible.

Class Participation: Attendance will be taken daily. Students should make a strong, good-faith effort to attend every class. Frequent absences (more than 1) and/or consistent tardiness will adversely effect your grade. This portion of your grade is worth 10 points equaling 10% of your total grade. Students leaving class prior to the end class time should notify the professor as to these intentions.

Final grade totals: Three tests equal 90 points and attendance 10 points. Total =100%
Concerns about grades and Scholarships should be addressed with Dr. Slomovitz.
Last minute requests, i.e., during finals will not be accepted for reasons of fairness.

**Academic Integrity Statement**—Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as published in the Undergraduate and graduate catalogs. Section II of the Student Code of Conduct addresses the University’s policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to University materials, misrepresentation/falsification of university records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged misconduct will be handled through the established procedures of the University Judiciary Program, which includes either an “informal” resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct’s minimum one semester suspension requirement.
