Academic Honesty

Students are expected to be familiar and to comply with the regulations regarding academic honesty as described in the Kennesaw State University Catalog, pp. 314-315.
The high quality of education at Kennesaw State University is reflected in the credits and degrees its students earn. The protection of these high standards is crucial since the validity and equity of the University's grades and degrees depend upon it.
No students shall receive, attempt to receive, knowingly give or attempt to give unauthorized assistance in the preparation of any work required to be submitted for credit as part of a course. When direct quotations are used, they should be indicated; when the language, ideas, theories, data, graphs,
programs, electronic based information or illustrations of someone other than the student are incorporated into a paper or used in a project, they should be duly acknowledged. Anything directly copied from the Internet without proper citation is plagiarism. Papers without proper citations with get zero credit; a student will fail the course and can be suspended for at least one semester unless evidence is provided to convince the courts that substantial mitigating circumstances existed in that student’s offense.
