The summer session goes very fast. Track your progress throughout the semester. Grades will be displayed on D2L. Final grade distribution will be as follows:

### Grade Distribution

A = 90 points or higher

B = 80-89 points

C = 70-79 points

D = 60-69 points

I = Indicates an incomplete grade for the course, and will be awarded only when the student has done satisfactory work up to the last two weeks of the semester, but for nonacademic reasons beyond his/her control is unable to meet the full requirements of the course.

Incomplete grades are only valid after submission of the Incomplete Grade form (signed by both the instructor and student) to the Department Chair's office.

### Academic Integrity Statement:

Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. Section 5. C of the Student Code of Conduct addresses the university's policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to university materials, misrepresentation / falsification of university records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either an "informal" resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct's minimum one semester suspension requirement. Academic integrity is important and students should maintain this at all times. It begins with ensuring originality in your assignments and research papers. When you submit materials via D2L, Turnitin will scan the essay for originality. If your essay fails this test, the instructor will report you to SCAI. ### ADA Compliance:

Students with qualifying disabilities under the Americans with Disabilities Act (ADA) and/or Section 504 of the Rehabilitation Act who require "reasonable accommodation(s)" to complete the course may request those from Department of Student Success Services. Students requiring such accommodations are required to work with the University's Department of Student Success

Services rather than engaging in this discussion with individual faculty members or academic departments. If, after reviewing the course syllabus, a student anticipates or should have anticipated a need for accommodation, he or she must submit documentation requesting an accommodation and permitting time for a determination prior to submitting assignments or taking course quizzes or exams. Students may not request retroactive accommodation for needs that were or should have been foreseeable. Students should contact the office as soon as possible in the term for which they are seeking accommodations. ### **Other Important Information About this Course**

#### **1. Attendance**

Class attendance is a requirement in this course. If this will be a problem, please let me know. A sign-up sheet will be circulated every class meeting. If you don't see the roll, ask. You will be responsible for ensuring you sign your name. Only a "perfect" attendance (no more than two classes missed in the entire semester) will earn the 5 points. Others, nothing. You do not lose points for being absent; rather, this attendance policy awards you 5 *extra* points for being present. Every student's reason for absence is important and credible, so the attendance policy that is applied across the board is "you're absent whenever you're not in class for its duration," regardless of the reason.

#### **2. Tests**

There will be several tests in the course. Tests 1, 2, 3, and 4 will be multiple choice. Each test will be on materials covered since the previous test. Thus, the final test (Test 4) is not cumulative but will be on materials covered since Test 3.

#### **3. Research Paper**

**Thursday, June 29, 2017 at 11:59 PM**

Select a topic on any aspect of World history from 1500 CE to the present. Discuss your ideas/interests with course director. I will give you a note that your topic has been approved. A paper without my prior approval will not be graded. Biographies are not acceptable. Recycled paper/topic from another class is not acceptable. Turnitin will find the plagiarized paper and, in addition to any other punishment the University may impose, you will score zero in the assignment,.

Once your topic has been approved, step up your research. When you write your paper, make sure it is based on your original research. Use the **Chicago Style** for your citations, footnotes or endnotes, and bibliography. For this paper, use at least five sources. The sources must be a

combination of books and articles in scholarly journals. Such articles may be accessed on Google Scholar or via KSU Library online resources. You may use Internet sources as a supplement. In other words, blogs, articles, and commentaries on historynet.com, history.com, online encyclopedia, wikipedia, and similar sources do not count among the five required resources. Your paper should be between 500 words (minimum) and 750 words (maximum), double-spaced. Please see the rubric (attached) on how your paper will be graded.

The research paper is due on **Thursday, June 29, 2017**. Late papers will be accepted, but will be penalized at 2 points per day (including weekend). No paper will be accepted after **Monday, July 11** because, mathematically, there will be no point to spare.

**4. Test 4 [Final Exam]      July 25, 2017, 11:30 a.m.-12:45 p.m.**

Multiple choice, on materials covered since Test 3. The Final Test schedule is at this link:
