Office Hours: Virtual, by appointment
Email address: Kperrot1@kennesaw.edu and D2L email

Electronic Communications:

My D2L email is the preferred course communication; however I check my KSU email frequently. All official course announcements and class emails sent via Desire2Learn. Please be mindful that emails sent to me after 5 PM between Monday-Thursday will be returned the next day. Emails received Friday-Sunday will be returned by Monday morning by 11 AM the latest. The University provides all KSU students with an “official” email account with the address “students.kennesaw.edu.” As a result of federal laws protecting educational information and other data, this is the sole email account you should use to communicate with your instructor or other University officials. Thank you!

Course Description:

3 Class Hours 0 Laboratory Hours 3 Credit Hours

Prerequisite: Successful completion of all Learning Support English requirements, including ENGL 1101 if required. A more detailed description can be found at:

<http://catalog.kennesaw.edu/content.php?catoid=24&navoid=2024>

Learning Objectives:

HIST 2111/HIST 2112 satisfies one of Kennesaw State University’s general education program requirements. It addresses the U.S. PERSPECTIVES general education learning outcome(s). The learning outcome states: Students identify the historical, political, social, or institutional developments of the United States. You can access a comprehensive list of learning objectives with this link:

Required Reading:

Eric Foner, *Give Me Liberty!: An American History, Volume 2*. Seagull 4th Edition.

ISBN: 9780393920314. We will also be using resources from the textbook’s website for class activities, as well as for individual projects and class presentations. <http://www.wnorton.com/college/history/give-me-liberty3-brief/welcome.aspx>

Attendance Policy:

Students’ academic success is the major priority of the College. Because regular participation enhances the learning process, students are expected to adhere to the attendance policy set forth by the College and individual faculty members. Students are responsible for assignments and material covered during an absence. I take regular attendance every week through D2L. Please notify me in reasonable advance if you are going to be absent. It may be necessary to provide valid documentation (i.e., doctor’s note) if you will be absent from class even for a short or prolonged period of time. Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal. Please be aware that after missing one full week of class, your grade may be negatively impacted. One point will be deducted from your overall grade for every week of an unexcused absence.

Technical Requirements and Difficulties:

- You will need basic computer skills. Can you find a web site if you are given a web address? Can you send and receive an email? Can you attach files and open attachments? If you can, then you will probably have few problems with the technology in this course.
- You will also need regular access to a computer and Internet service. You can use the labs on campus if you buy a set of headphones. Right now, write down two backup places that provide WIFI connection that you will go if your preferred email access point fails. For example, if you try to get on the internet and you find your home access won't work, where will you go? Can you go to the local library? To the local community college? To your aunt's house? *If you have no backup places, you probably don't need to take this course. In other words, if your internet fails, it may severely hinder your progress in this class*
- You will need to use your KSU student email account that you check every day, and your facilitator needs that account address. You will need to check your D2L email AND “news” on the main page for the course for correspondence. Email failures, like internet failures, can severely hinder your progress in this course.
- Assignments will be graded, and grades will be posted to the D2L gradebook, within 1 week after the assignment due date. If the instructor anticipates a delay in grading, you will be notified as soon as possible.
- You will turn in all assignments in the D2L Dropbox unless otherwise assigned. Acceptable formats for turning materials in to the Dropbox are
 - Corel WordPerfect (.wpd)
 - Encapsulated PostScript (.eps)
 - Microsoft Word (.doc, .docx)
 - plain text (.txt)
 - Portable Document Format (.pdf)
 - Rich Text Format (.rtf)
 - web pages (.htm, .html)
 - No other formats are accepted. If you turn in documents in other formats, your work will be counted late until you turn in the assignment in the correct format.
- Technical support is your responsibility. If a document or lecture does not open for you, let your instructor know. However, if the problem is on your end (your computer, your software, your modem), it is your responsibility to find someone on your end to help you with the problem.
- If you are on KSU campus, contact service@kennesaw.edu. Your instructor is not technical support. Again, please let your instructor know if you have any questions.

Makeup Exams and Late Assignments:

- Make-ups and late assignments are not accepted UNLESS you provide D. P with valid documentation (doctor's note, medical emergency or death of a family member, child-related emergency, etc.) within a reasonable amount of time. Letting Prof. P know the day something is due is not considered reasonable time. If accepted, late assignments lose 10 points per day late. Day 1 of late assignments begins after the due date and time.
- Students will have 25 minutes to complete the weekly quizzes; quizzes cannot be submitted late. Students will have 1 hour to complete the final exam and cannot be submitted late. Students have one attempt to take the quizzes and final exam.
- Discussion board assignments must be completed each week with responses to classmates; therefore, it is extremely difficult to make up this assignment. If you foresee a documented emergency may arise with notice, please let Dr. P know so she can help make arrangements for you to engage in the discussion. If something happens suddenly, please let Dr. P know and she will work with you to get the discussion done.
- I understand emergencies happen; however, please be responsible and contact me immediately if something arises that precludes you from completing an assignment or quiz on time.

Grade Breakdown

The total number of points a student can earn is 410 points for the semester. When you add up how many points you earned on the course assessments and assignments, divide that number by 410; the result is your overall semester grade.

- Discussion Board Assignments- 8 x 20 points each= 160 points
- Weekly Quizzes- 15 x 10 points each= 150 points
- Final Exam= 100 points

For example, if you earned 350 points total on course assessments and assignments, divide that by 410. and you receive .8536. Move the decimal point two places to the right and you receive an 85.36 or a B for your semester grade. Your final grade is calculated by averaging how many points you have earned on all assignments, projects, and tests as stated in the Grading section of the syllabus.

<u>POINTS</u>	<u>GRADE</u>
90 - 100	A
80 - 89	B
70 - 79	C
60 - 69	D
BELOW 60	F

I—Indicates an incomplete grade for the course, and will be awarded only when the student has done satisfactory work up to the last two weeks of the semester, but for nonacademic reasons beyond his/her control is unable to meet the full requirements of the course. Incomplete grades are only valid after submission of the Incomplete Grade form (signed by both the instructor and student) to the Department Chair's office.

Extra Credit:

I do not drop the lowest grade, but extra credit opportunities are available throughout the semester. Detailed written evaluations of a historical site or museum with two proofs a student visited a place (one must be a time stamped and dated ticket AND a picture of the student at an identifiable marker at the site) is the extra credit opportunity. You MUST visit this site during the enrolled semester. Each report is graded out of 10 points. Directions and rubrics are located on Desire2Learn. If you are unable to visit a museum or historical site for extra credit, see me for alternative opportunities. I will accept extra credit assignments on a rolling basis in the dropbox up until one week before the final exam; no later, no exceptions. PLEASE NOTE THAT EXTRA CREDIT IS OFFERED AS A WAY TO EXPAND YOUR LEARNING BEYOND THE CLASSROOM. EXTRA CREDIT REPORTS ARE NOT INTENDED OR DESIGNED TO COMPENSATE FOR MISSING OR INCOMPLETE ASSIGNMENTS.

Academic Integrity Statement:

Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. Section 5. C of the Student Code of Conduct addresses the university's policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to university materials, misrepresentation/falsification of university records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either an "informal" resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct's minimum one semester suspension requirement. See also <https://web.kennesaw.edu/scai/content/ksu-student-code-conduct>.

DO NOT copy and paste information straight from the internet for research papers or assignments of any kind. Be aware that in history courses, the accepted citation method is Chicago style. With that said, be sure to cite all sources used when writing a research paper within the text of your paper with proper footnotes or endnotes, and in your bibliography. Use credible resources (no wiki's) for your research, and always give credit when it's due if you used any information or quotes from an author or historical source. If you are not extremely careful and do not properly cite all information used from book, internet, newspaper, or any print or media resources, this is considered plagiarism and against the College's policy of academic honesty.

Class Conduct:

It is the purpose of the institution to provide a campus environment, which encourages academic accomplishment, personal growth, and a spirit of understanding and cooperation. An important part of maintaining such an environment is the commitment to protect the health and safety of every member of the campus community. Belligerent, abusive, profane, threatening and/or inappropriate behavior on the part of students is a violation of the Kennesaw State University Student Conduct Regulations. Students who are found guilty of such misconduct may be subject to immediate dismissal from the institution. In addition, these violations of state law may also be subject to criminal action beyond the University disciplinary process.

Disruptive and/or disrespectful behavior (verbally and non-verbally) will not be tolerated under any circumstances in this class. You are a professional student and will be treated as such. Therefore, I do not tolerate rude and disrespectful behavior towards other classmates or myself. For example, unacceptable classroom conduct includes (but does not exclude):

- Interrupting the instructor or other classmates during online discussions or other communication
- Cheating on tests, exams, projects, etc. You will face disciplinary action when caught.
- Cursing and/or using offensive language towards classmates and/or instructor
- Threatening the instructor and/or students verbally and/or physically in or out of class including email
- View the netiquette guidelines (<http://www.kennesaw.edu/elearning/netiquette/index.html>) for information regarding behavioral expectations for online students.

Professional Courtesy Statement:

"Doing history" often involves discussion, debate, and analysis of topics that people have strong feelings about, including, but not excluding, religion, race, gender, culture, sexuality, economics, geography, and politics. Part of a quality education and learning is to compose and respond to arguments in a logical, persuasive manner in order to understand views that are different from your own. Everyone in the class deserves respect and will be treated in that manner. Please inform me, in a calm manner, if one of your classmates or I make you feel

uncomfortable. I always strive to create an inclusive classroom environment for all students. Keep in mind that it is human nature when presented with arguments that differ from deeply held personal beliefs you may have to react as if you are being attacked or to misconstrue what the other person has said. It is important as an educated person to recognize this, understand opinions different from your own, respond constructively to those opinions, and support your own beliefs.

Writing Center

The KSU Writing Center helps students in all majors improve their writing. Experienced, friendly writing assistants help with topic development, revision, research, documentation, grammar, and more. For more information or to make an appointment, visit writingcenter.kennesaw.edu or stop by English Building, Room 242 (Kennesaw campus) or Johnson Library, Room 121 (Marietta campus). writingcenter@kennesaw.edu

Safety:

If you see or notice anything suspicious on or near campus, notify campus police x6666.

ADA Compliance:

Students with qualifying disabilities under the Americans with Disabilities Act (ADA) and/or Section 504 of the Rehabilitation Act who require “reasonable accommodation(s)” to complete the course may request those from Office of Student Disability Services. Students requiring such accommodations are required to work with the University’s Office of Student Disability Services rather than engaging in this discussion with individual faculty members or academic departments. If, after reviewing the course syllabus, a student anticipates or should have anticipated a need for accommodation, he or she must submit documentation requesting an accommodation and permitting time for a determination prior to submitting assignments or taking course quizzes or exams. Students may not request retroactive accommodation for needs that were or should have been foreseeable. Students should contact the office as soon as possible in the term for which they are seeking accommodations. Student Disability Services is located in the Carmichael Student Center in Suite 267. Please visit the Student Disabilities Services website at www.kennesaw.edu/stu_dev/sds for more information, or call the office at 470-578-6443.
